

# Summer Reading

Dear Students,

The 2<sup>nd</sup> grade teachers would like you to do some summer reading. We have given you a list of suggested books. You need to read 10 of them by the new school year. These books are very popular and can be found at your public library or any bookstore. After reading a book, add the proper information (title of book and author) to this sheet and lightly color the number. On the *first* day of school, you will turn in this sheet. This will be your first Reading grade.

Thank you,  
Mrs. Lekas and Mrs. Smith
