Authorization for Emergency Care

In case of accident or serious illness and the school is unable to reach a parent/guardian, I hereby authorize the school to contact the physician indicated on the emergency card and to follow his instructions. If it is impossible to contact this physician, the school may make whatever arrangements necessary to provide care and treatment for my child.

In case of an accident or serious illness where immediate treatment of my child is not indicated, but where he/she is unable to remain at the school, the school will contact a parent/guardian to arrange transportation for my child. If the school is unable to reach a parent or guardian, I authorize the school to contact one of the persons listed on the emergency card and request them to come to the school and transport my child.

All medicines are to be sent to the school office and clearly labeled. No student may have any medicine on his or her person or in his or her belongings at any time.
